

Shahrokh Khanzadeh-Amiri
Managing Director, Middle East & North Africa
Intelsat

Shahrokh Khanzadeh-Amiri leads all Intelsat sales activities in the Middle East and North Africa regions.

With Intelsat, he has more than 12 years of experience providing satellite communications solutions to customers in the Middle East and North Africa.

Prior to his joining Intelsat, Mr. Khanzadeh-Amiri spent several years managing sales activities for several leading telecom companies and satellite operators in the United Kingdom.

He earned a First Class Honors degree in Electronic and Electrical Engineering from the University of Newcastle (United Kingdom) and a Post Graduate Certificate in Data Communications from Brunel University (United Kingdom).

He is a Chartered Engineer and member of Institute of Engineering and Technology in the U.K.

Intelsat S.A. (NYSE: I) operates the world's first Globalized Network, delivering high-quality, cost-effective video and broadband services anywhere in the world. Intelsat's Globalized Network combines the world's largest satellite backbone with terrestrial infrastructure, managed services and an open, interoperable architecture to enable customers to drive revenue and reach through a new generation of network services. Thousands of organizations serving billions of people worldwide rely on Intelsat to provide ubiquitous broadband connectivity, multi-format video broadcasting, secure satellite communications and seamless mobility services. The end result is an entirely new world, one that allows us to envision the impossible, connect without boundaries and transform the ways in which we live.
