

Curriculum Vitae

of

Mr Masakazu IWAKI

Masakazu Iwaki was appointed Head of the Human Interface Research Division, NHK Science & Technology Research Laboratories (STRL) in June, 2010. During his tenure, he will oversee research and development of human interface technologies to improve media accessibility.

Iwaki joined NHK in 1990. From 1994 to 2008, he worked as a research engineer of acoustics in the STRL.

He worked in the Engineering Administration Department at NHK from 2008 to 2012 and was involved with media planning and international affairs.

He has been the chairman of the ABU (Asia Pacific Broadcasting Union) technical committee since 2014.

Prior to his current appointment, Iwaki was senior manager of the public relations and planning division in the STRL for three years and vice chairman of the ABU TC for four years respectively.

He is a member of the Institute of Electronics, Information and Communication Engineers (IEICE), The Institute of Image Information and Television Engineers, Audio Engineering Society (AES), Acoustical Society of Japan (ASJ).
