

Born and raised in Munich (Germany) Mr. Klaus-Joerg Jasper's first contact to the Radio and TV business happened during an apprenticeship in repairing Radio- and TV units. Shortly after he was engaged as a freelancer for the long term with the Bavarian Public Radio and Television (state broadcaster) maintenance department.

When finalizing his duty for the obligatory military service as a radio mechanic he started his studies in Electrical Engineering and Information Technology at the University of Applied Sciences, Munich (Germany) - Major: Data Systems Technology, leaving university with the degree of an Dipl.-Ing. (FH) (Equivalent to an MA in Engineering).

Working the following 4 years in systems integration as a designer of TV studios & OB Vans at a major company he gained lots of experience in professional broadcast systems.

Finally, he joined company LAWO in year 2008 where he made his way from project management to sales, today Mr. Klaus-Joerg Jasper is holding the position of a sales director for the entire Middle East region.
