Projects

- Six New IT based TV channels (IRIB).
- IRIB BAZAR - TV Channel on Marketing (Technical Planning, Commissioning, Installation)
 - Bazar TV channel or IRIB Bazar is a national home shopping TV channel in Iran which was launched on 2011.
- IRIB NAMAYESH - TV Channel on Family Movies and Series (Commissioning, Installation)
 - IRIB Namayesh is a national film and TV series TV channel in Iran which was launched on 2011.
- Total Radio Production and Broadcasting Automation - 26 Provincial Centers
 - We (as Nezam Corporation) award a contract to replace traditional analog (reel based) radio station equipment with a new modern solution based on IT for 26 provincial radio stations across Iran. We have done this project, using proper servers, storage, required network infrastructure and developing digital workflow in software automation. Whereas this was the very first project of its kind, there were lots of issues and problems at the beginning which were resolved during system implementation and installation.
 - First Project with installation diagrams, procedures, timing to deliver the project on time.
- AioSport Live IPTV/OTT live sport channel
